MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Strategic Air Command/CIA Liaison Position

1. It is my understanding that serious consideration is being given to the recall of the DD/I position located at the Strategic Air Command on the expiration of [redacted] tour this coming summer.

2. Members of your Staff have inquired concerning the effect the removal of this position would have on DD/S&T activities and/or relationships with SAC. Based on a review of past experience on the utilization of this position, I have come to the conclusion that while substantial reasons might exist for its retention, I do not consider these overriding. On balance, I feel our activities would not be seriously affected if this liaison position were removed from the SAC Base.

USAF review(s)
completed.
